Detroit News: State energy bill will hit consumers hard

Last week, the Detroit News editorialized on the energy legislation currently before the House and Senate. They hit the nail on the head, stating "If it passes without major revisions to lower its cost and potential to disrupt energy supplies, the bill can be expected to kill jobs, not create them."

Press Release: CCC Urges Lawmakers: Know what you are voting on.

The Customer Choice Coalition today urged Michigan lawmakers to delay final votes on HB 5524 and SB 213 until full fiscal and legislative analyses are completed and the people of Michigan are informed of the billions of dollars of higher electric rates they will be forced to pay under the package. Taken together, SB 213 and HB 5524 implement the largest residential electric rate hike increase in Michigan history.
